## A BILL

To expand access to health care services, including sexual, reproductive, and maternal health services, for immigrants by removing legal and policy barriers to health insurance coverage, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*

2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Health Equity and

5       Access under the Law for Immigrant Women and Families

6       Act of 2020” or as the “HEAL for Immigrant Women

7       and Families Act of 2020”.

1   **SEC. 2. FINDINGS; PURPOSE.**

2       (a) FINDINGS.—Congress finds as follows:

3           (1) Health insurance coverage reduces harmful  
4           disparities by alleviating cost barriers to and in-  
5           creasing utilization of necessary health care services,  
6           especially among low-income and underserved popu-  
7           lations, including women.

8           (2) Based solely on their immigration status,  
9           many immigrants and their families face legal and  
10          policy restrictions on their ability to obtain afford-  
11          able health insurance coverage through Medicaid,  
12          the Children's Health Insurance Program (CHIP),  
13          and the health insurance exchanges.

14          (3) Lack of health insurance coverage contrib-  
15          utes to persistent disparities in the prevention, diag-  
16          nosis, and treatment of negative health outcomes ex-  
17          perienced by immigrants and their families.

18          (4) Nearly half of immigrant women are of re-  
19          productive age. Immigrant women are also dis-  
20          proportionately living in low-income households and  
21          lacking health insurance coverage. Legal and policy  
22          barriers to affordable health insurance coverage  
23          therefore particularly exacerbate their risk of nega-  
24          tive sexual, reproductive, and maternal health out-  
25          comes, with lasting health and economic con-

1 sequences for immigrant women, their families, and  
2 society as a whole.

3 (5) Denying health insurance coverage or im-  
4 posing waiting periods for health insurance coverage  
5 unfairly hinders the ability of immigrants to attain  
6 good health and undermines the economic well-being  
7 of their families.

8 (6) The population of immigrant families in the  
9 United States is expected to continue to grow. One  
10 in seven United States residents is foreign-born, and  
11 approximately one in four children in the United  
12 States has at least one immigrant parent. It is  
13 therefore in the Nation's shared public health and  
14 economic interest to remove legal and policy barriers  
15 to affordable health insurance coverage based on im-  
16 migration status.

17 (7) Although Deferred Action for Childhood Ar-  
18 rivals (DACA) recipients are authorized to live and  
19 work in the United States, they have been unfairly  
20 excluded from the definition of lawfully present and  
21 lawfully residing for purposes of health insurance  
22 coverage through the Department of Health and  
23 Human Services, including Medicaid and CHIP, and  
24 the health insurance exchanges.

1                         (8) Immigration law is constantly evolving and  
2                         new immigration categories for individuals with fed-  
3                         erally authorized presence in the United States may  
4                         be created.

5                         (b) PURPOSE.—It is the purpose of this Act to—

6                             (1) ensure that all individuals who are lawfully  
7                         present in the United States are eligible for all fed-  
8                         erally funded health care programs; and

9                             (2) advance the ability of undocumented indi-  
10                         viduals to obtain health insurance coverage through  
11                         the health insurance exchanges.

12                         **SEC. 3. REMOVING BARRIERS TO HEALTH COVERAGE FOR**  
13                         **LAWFULLY PRESENT INDIVIDUALS.**

14                         (a) MEDICAID.—Section 1903(v)(4) of the Social Se-  
15                         curity Act (42 U.S.C. 1396b(v)(4)) is amended—

16                             (1) by amending subparagraph (A) to read as  
17                         follows:

18                             “(A) Notwithstanding sections 401(a), 402(b), 403,  
19                         and 421 of the Personal Responsibility and Work Oppor-  
20                         tunity Reconciliation Act of 1996, payment shall be made  
21                         under this section for care and services that are furnished  
22                         to individuals who are not citizens of the United States,  
23                         including aliens described in paragraph (1), if they other-  
24                         wise meet the eligibility requirements for medical assist-  
25                         ance under the State plan approved under this title (other

1 than the requirement of the receipt of aid or assistance  
2 under title IV, supplemental security income benefits  
3 under title XVI, or a State supplementary payment) and  
4 are lawfully present in the United States (including such  
5 an individual who is granted deferred action or other fed-  
6 erally authorized presence).”;

7 (2) in subparagraph (B)—

8 (A) by striking “a State that has elected to  
9 provide medical assistance to a category of  
10 aliens under subparagraph (A)” and inserting  
11 “individuals provided medical assistance pursu-  
12 ant to subparagraph (A)”; and

13 (B) by striking “such an alien on the basis  
14 of provision of assistance to such category” and  
15 inserting “such an individual on the basis of  
16 provision of assistance to such individual”; and

17 (3) in subparagraph (C)—

18 (A) by striking “an election by the State  
19 under subparagraph (A)” and inserting “the  
20 application of subparagraph (A)”;

21 (B) by inserting “or be lawfully present”  
22 after “lawfully reside”; and

23 (C) by inserting “or present” after “law-  
24 fully residing” each place it appears.

1       (b) CHIP.—Subparagraph (N) of section 2107(e)(1)  
2 of the Social Security Act (42 U.S.C. 1397gg(e)(1)) is  
3 amended to read as follows:

4                 “(N) Paragraph (4) of section 1903(v) (re-  
5 lating to lawfully present individuals).”.

6       (c) EFFECTIVE DATE.—

7                 (1) IN GENERAL.—Except as provided in para-  
8 graph (2), the amendments made by this section  
9 shall take effect on the date of enactment of this Act  
10 and shall apply to services furnished on or after the  
11 date that is 90 days after such date of enactment.

12                 (2) EXCEPTION IF STATE LEGISLATION RE-  
13 QUIRED.—In the case of a State plan for medical as-  
14 sistance under title XIX, or a State child health plan  
15 under title XXI, of the Social Security Act which the  
16 Secretary of Health and Human Services determines  
17 requires State legislation (other than legislation ap-  
18 propriating funds) in order for the plan to meet the  
19 additional requirements imposed by the amendments  
20 made by this section, the respective State plan shall  
21 not be regarded as failing to comply with the re-  
22 quirements of such title solely on the basis of its  
23 failure to meet these additional requirements before  
24 the first day of the first calendar quarter beginning  
25 after the close of the first regular session of the

1       State legislature that begins after the date of enact-  
2       ment of this Act. For purposes of the previous sen-  
3       tence, in the case of a State that has a 2-year legis-  
4       lative session, each year of such session shall be  
5       deemed to be a separate regular session of the State  
6       legislature.
